

One Love Global

Transforming communities so Black children experience justice, peace, healing, opportunity, and abundance.

This weekend, we're coming together for two important, interconnected events...

The statewide [2024 MBKGEN Michigan Summit](#) in Lansing is just a few days away, and **you've blown us away with a sold out event!** This overwhelming response underscores how important it is for us to come together. If you registered and are not able to attend, please release your tickets so we can make them available.

When President Barack Obama [launched the My Brother's Keeper \(MBK\) Challenge in 2014](#), One Love Global rallied Lansing area leaders to accept the challenge and work together to close gaps in outcomes for boys and young men of color. **This was a regional effort:** Lansing Mayor Virg Bernero accepted the challenge on behalf of the City of Lansing, and the Ingham County Board of Commissioners accepted the challenge by resolution, making this one of the nation's first regional MBK efforts. Michigan went even further, becoming the first state to attempt building and sustaining a statewide MBK network.

Since then, OLG has been a driving force behind [My Brother's Keeper in Lansing and across Michigan](#), focusing on boys and young men of color and broadening our scope to include youth across gender with the Girls' Equity Network (GEN). Over the years, we have hosted youth assemblies throughout the state, emphasizing youth entrepreneurship and leadership development. **We are over the moon to continue [celebrating One Love Global's 20th anniversary this year](#) and the 15th anniversary of [Peace & Prosperity Youth Action Movement \(PPM\)](#).**

Building on these years of planning, relationship building, and community organizing, we continue to bring together leaders across the state to collaborate around the [six MBK milestones](#). We joined the [Truth, Racial Healing & Transformation \(TRHT\) process](#) in 2017 to grow this work, and as TRHT evolves, we are intentionally creating a movement built on solidarity across communities, regions, and organizations. This weekend, we are eager to explore these themes further with philanthropic leaders at the [CMF 52nd Annual Conference](#).

Whether it's at the MBKGEN Statewide Summit or the TRHT conference session, we hope to see you this weekend!
